

INVEST IN YOUR CHILD'S FUTURE

WELCOME TO OUR LADY OF FATIMA CATHOLIC SCHOOL

Serving students in Preschool through Eighth Grade

Located near the intersection of Kipling and 20th Avenue in Lakewood, Our Lady of Fatima Catholic School is dedicated to its mission of academic excellence with Catholic vision.

The curriculum of the Archdiocese of Denver Catholic Schools gives students a solid academic foundation and prepares them for high school. The curriculum provides sequenced learning in the areas of language arts, mathematics, social studies and science. Religion is taught daily and students attend weekly Mass. Physical education, art, music, Spanish, technology and library/media skills are taught to students in Pre-Kindergarten through Eighth Grade.

Catholic and character education components are vital at Our Lady of Fatima Catholic School. The values of respect, responsibility, compassion, honesty, stewardship and self-control are taught, encouraged and reinforced throughout the school.

The materials included in this packet are a brief introduction to Fatima. You are also invited to attend an Information Session and visit our website at www.olfcs.com. Please contact Patti Zarlengo, the school secretary for enrollment, at 303-233-2500.

Thank you for your interest in Our Lady of Fatima Catholic School.

Fr. Henri Tshibambe
