

Our Lady of Fatima Parent Teacher Team (PTT)

Dear Parents,

Volunteers are a big part of Our Lady of Fatima. Our PTT committees do many of the little extras that make our school such a wonderful place to be. Attached is a list of activities in which you can partake. We ask that you read through them and choose anything you feel called to help with. Please return the sheet to the school office by Friday, September 14 with your name and number next to the committee(s) of your choice. The committee chairperson will contact you when help is needed. We appreciate all the time and talents that you give to our school!

Social Committees:

**Christmas Luncheon** - A luncheon for the women of the school and parish. This usually includes a catered lunch, craft booths and a raffle. Many women are needed to help set up, serve and arrange items for the raffle.
